Port Vila, September 19th 2011

To whom it may concern

Dear Sir/Madame

Approval for the ORA association to carry out aerial imagery on Yasur volcano

This letter serves to inform you that the Vanuatu Meteorology and Geohazards Department is interested in the acquisition of very high resolution imaging and DTM for the area of Yasur volcano by the ORA association. This operating of aerial imagery would be done in the for scientific interest in collaboration with the "Magma et Volcans" laboratory of the CNRS, the sponsoring institute for the whole operation.

Yours sincerely

Esline Garaebiti

Manager Geohazards, Vanuatu Meteorology and Geohazards Department
